Case No. 5:17-cv-00564-NC

**DECLARATION OF JEANNE C.
FINEGAN, APR CONCERNING CLASS
MEMBER NOTIFICATION**

1 I, JEANNE C. FINEGAN declare as

2
3 follows:

4
5 **INTRODUCTION**

6 1. I am President and Chief Media Officer of HF Media, LLC, Inc. (“HF”) a division
7 of Heffler Claims Group LLC (“Heffler”). This Declaration is based upon my personal knowledge
8 as well as information provided to me by my associates and staff, including information reasonably
9 relied upon in the fields of advertising media and communications.

10 2. Heffler has been engaged by the parties to this litigation to develop and implement
11 a proposed legal notice program as part of the parties’ proposed class action settlement. This
12 proposed program is highly targeted and well-designed to reach Class Members by employing
13 best-in-class tools and technology. It applies the most current approach to notice by combining
14 direct outreach through reasonably ascertainable class member records, traditional media through
15 print publication, which have a readership of 48,425,000 and over 60,700,000 online and social
16 impressions with cross-device targeting on desktop and mobile, as well as a press release.

17 3. This Declaration describes my experience in designing and implementing notices
18 and notice programs, as well as my credentials to opine on the overall adequacy of the proposed
19 notice effort. This Declaration will also describe the proposed notice program and address why
20 this comprehensive proposed program is consistent with other best practicable court-approved
21 notice programs and the requirements of Fed. Civ. P. 23(c)(2)(B) and the Federal Judicial Center
22 (“FJC”) guidelines¹ for Best Practicable Due Process notice.

23 4. The notice program, described hereinafter, combines two settlements covering all
24 50 states in the U.S.; the Missouri Settlement² inclusive of 49 states, and the California Settlement.
25 The estimated reach both nationwide and separately in California, is 74 percent of the target
26 audience, *i.e.*, Canada Dry Ginger Ale Purchasers, with an average frequency of 2.3 times.

27 **QUALIFICATIONS**

28 5. I have more than 30 years of relevant communications and advertising experience.

1 Notice Checklist and Plain Language Guide (2010) (“Judges’ Class Action Notice and Claims Process Checklist and Plain Language Guide”).

2 : *George, et al. v. Keurig Dr. Pepper, et al.*, No. 1822-CC11811, in the Circuit Court of the City of St. Louis, MO

1 I am a member of the Board of Directors for the Alliance for Audited Media (“AAM”). I am the
 2 only Notice Expert accredited in Public Relations (APR) by the Universal Accreditation Board, a
 3 program administered by the Public Relations Society of America. Further, I have provided
 4 testimony before Congress on issues of notice. I have lectured, published and been cited
 5 extensively on various aspects of legal noticing, product recall, and crisis communications, and
 6 have served the Consumer Product Safety Commission (CPSC) as an expert to determine ways in
 7 which the CPSC can increase the effectiveness of its product recall campaigns. More recently, I
 8 have been extensively involved as a contributing author for “*Guidelines and Best Practices
 Implementing 2018 Amendments to Rule 23 Class Action Settlement Provisions*” published by
 Duke University School of Law.

9 6. I have served as an expert, with day-to-day operational responsibilities and direct
 10 responsibilities for the design and implementation of hundreds of class action notice programs,
 11 some of which are the largest and most complex programs ever implemented in both the United
 12 States and Canada. My work includes a wide range of class actions and regulatory and consumer
 13 matters, the subject matters of which include product liability, construction defect, antitrust,
 14 asbestos, medical, pharmaceutical, human rights, civil rights, telecommunications, media,
 environmental, securities, banking, insurance and bankruptcy.

15 7. Additionally, I have been at the forefront of modern notice, including plain
 16 language as noted in a RAND study³, and importantly, I was the first Notice Expert to integrate
 17 digital media and social media into court approved legal notice programs. My recent work
 18 includes:

- 19 • *Carter v Forjas Taurus S.S., Taurus International Manufacturing, Inc.*, Case
 No. 1:13-CV-24583 PAS (S.D. Fla. 2016);
- 20 • *In re: Blue Buffalo Marketing and Sales Practices Litigation*, No. 14-md-
 02562-RWS (E.D. Mo. 2016); and
- 21 • *In re: TracFone Unlimited Service Plan Litigation*, No. C-13-3440 EMC (N.D.
 Cal. 2015).

22 8. As further reference, in evaluating the adequacy and effectiveness of my notice
 23 programs, courts have repeatedly recognized my work as an expert. For example, in:

- 24 (a) *Carter v Forjas Taurus S.S., Taurus International Manufacturing, Inc.*, Case No.
 25 1:13-CV-24583 PAS (S.D. Fla. 2016). In her Final Order and Judgment Granting

 RAND (2000).

1 Plaintiffs Motion for Final Approval of Class Action Settlement, the Honorable
2 Patricia Seitz stated:

3 *“The Court considered the extensive experience of Jeanne C. Finegan and the notice*
4 *program she developed. ...There is no national firearms registry and Taurus sale records*
5 *do not provide names and addresses of the ultimate purchasers... Thus the form and*

10 9. Additionally, in the January 20, 2016, Transcript of Class Notice Hearing, p. 5
11 Judge Seitz, gave accolades to my work, noting:

17 Sippel said:

18 *“It is my finding that notice was sufficiently provided to class members in the manner*
19 *directed in my preliminary approval order and that notice met all applicable requirements*

on Final Approval of Class Action, the Honorable Vincent L. Briccetti gave accolades
to my work, noting:

“The notice plan was the best practicable under the circumstances. ... [and] the proof is

claims.”

(e) ***DeHoyos, et al. v. Allstate Ins. Co., No. SA-01-CA-1010*** (W.D.Tx. 2001). In the

Honorable Fred Biery stated:

“[T]he undisputed evidence shows the notice program in this case was developed and

1 *implemented by a nationally recognized expert in class action notice programs. ... This*
2 *program was vigorous and specifically structured to reach the African-American and*
3 *Hispanic class members. Additionally, the program was based on a scientific methodology*
4 *which is used throughout the advertising industry and which has been routinely embraced*

28 12. A comprehensive description of my credentials and experience that qualify me to
provide expert opinions on the adequacy of class action notice programs is attached as **Exhibit A**.

NOTICE PROGRAM SUMMARY

13. The proposed notice program for this settlement is designed to inform Class
Members of the proposed class action settlement between Plaintiffs and the Defendant as described
in the Settlement Agreement, Section 2.15. In the Settlement Agreement, the settlement class is
defined as:

1 All persons who, between December 28, 2012 and June 26, 2018, purchased
 2 any Canada Dry Ginger Ale Products in the state of California.” Excluded
 3 from the Class are: (a) all Persons who purchased or acquired the Product
 4 for resale; (b) Keurig Dr Pepper Inc., f/k/a Dr Pepper Snapple Group, Inc.,
 5 Dr Pepper/Seven Up, Inc., and their directors, officers, employees,
 6 principals, affiliated entities, legal representatives, successors and assigns;
 7 (c) any Person who files a valid, timely Opt-Out request; (d) federal, state,
 8 and local governments (including all agencies and subdivisions thereof, but
 9 excluding employees thereof); and (e) the Honorable Nathanael Cousins,
 10 the Honorable Wayne R. Andersen (Ret.) of JAMS, Robert A. Meyer of
 11 JAMS, and any members of their immediate families.

12 14. The proposed notice program includes the following components:

- 13 • CAFA Notice to appropriate state and federal government officials;
- 14 • Print publication in two generally circulated magazines targeted to reach class
 15 members;
- 16 • Online display banner advertising specifically targeted to reach Class
 17 Members;
- 18 • Keyword Search targeting Class Members;
- 19 • A press release across PR Newswire's US1 Newslines;
- 20 • Social media through Facebook and Instagram;
- 21 • An informational website will be established on which the notices and other
 22 important Court documents will be posted; and
- 23 • A toll-free information line will be established by which Class Members can
 24 call 24/7 for more information about the Settlement, including, but not limited
 25 to, requesting copies of the Long Form Notice or Claim Form.

26 **DIRECT NOTICE**

27 15. Canada Dry has informed me that it sells its products through retail outlets and does
 28 not keep a large mailing database. However, I am also informed that it does have 27,996 name and
 address records (nationwide) that have been collected through its Customer Service center, which
 will be used to provide direct notice. Of these records, 346 are from California.

29 **CAFA NOTICE**

30 16. Heffler will provide notice of the proposed Settlement under CAFA 28 U.S.C.
 §1715(b) to appropriate state and federal government officials. Upon completion of the notice

1 program, a detailed report of the mailing will be provided to this Court.

2
3 **METHODOLOGY FOR PUBLICATION/INTERNET NOTICE**

4 17. To appropriately design and target the publication component of the notice
5 program, HF Media utilized a methodology accepted by the advertising industry and embraced by
6 courts in the United States.

7 18. Accordingly, we are guided by well-established principles of communication and
8 utilize best-in-class nationally syndicated media research data provided by GfK Mediamark
9 Research and Intelligence, LLC,⁴ (“MRI”) and online measurement currency comScore⁵, among
10 others, to provide media consumption habits and audience delivery verification of the potentially
11 affected population. Based on this research, our cutting-edge approach to notice focuses on the
12 quality of media exposure, engagement, and appropriate media environment.

13 19. These data resources are used by advertising agencies nationwide as the basis to
14 select the most appropriate media to reach specific target audiences. The resulting key findings are
15 instrumental in our selection of media channels and outlets for determining the estimated net
16 audience reached through this legal notice program. Specifically, this research identifies which
17 media channels are favored by the target audience (*i.e.*, the Class Members). For instance,
18 browsing behaviors on the Internet, social media channels that are used, and which magazines
19 Class Members are reading.

20 20. For this program, HF Media employs the best-in-class tools and technology in order
21 to appropriately target Class Members and appropriately measure and validate audience delivery
22 using Media Ratings Counsel accepted third-party validation of media. By utilizing these media
23 research tools, we can create target audience characteristics or segments, and then select the most
24 appropriate media and communication methods to best reach them.

25 21. This media research technology allows us to fuse data and accurately report to the
26 Court the percentage of the target audience that will be reached by the notice component and how
27 many times the target audience had the opportunity to see the message. In advertising, this is
28 commonly referred to as a “Reach and Frequency” analysis, where “Reach” refers to the estimated

27 4 GfK MRI's *Survey of the American Consumer*® (“MRI”) is the industry standard for magazine audience ratings in
the U.S. and is used in the majority of media and marketing agencies in the country. MRI provides comprehensive
reports on demographic, lifestyle, product usage and media exposure.

28 5 comScore is a global Internet information provider on which leading companies and advertising agencies rely for
consumer behavior insight and Internet usage data.

1 percentage of the unduplicated audience exposed to the campaign, and “Frequency” refers to how
 2 many times, on average, the target audience had the opportunity to see the message. The
 3 calculations are used by advertising and communications firms worldwide and have become a
 4 critical element to help provide the basis for determining adequacy of notice in class actions.

5 22. Additionally, we are the first notice experts to actively monitor, mitigate and cull
 6 non-human (ad fraud bot traffic) from digital notice programs⁶. Consistent with our recent
 7 successfully implemented court approved notice programs for *Landes v. Sony Mobile*
 8 *Communications* Case No. 2:17-cv-2264-JFB-SL (E.D.N.Y.), and *N.P. v Standard Innovation*
 9 *Corp.*, Case No. 1:16-cv-8655 (N.D. Ill.), we will take active steps on multiple levels to monitor,
 10 mitigate, block and adjust for this type of traffic. This non-human traffic will be identified and
 11 culled from our final reach calculations reported to the court.

12 **TARGET AUDIENCE MEDIA USE AND KEY INSIGHTS**

13 23. According to MRI, there are over 19,800,000 consumers who have purchased
 14 Canada Dry Ginger Ale nationwide and approximately 2,300,000 in California. Of these
 15 consumers, we also see that 47 percent of the primary purchasers of this product are female. A
 16 significant percentage of this population falls within the 18-44 age demographic, with over 21
 17 percent being African American. Over 86 percent have gone online in the last 30 days, with nearly
 18 76 percent using their smartphone to access the Internet. Additionally, nearly 65 percent have
 19 visited Facebook in the last 30 days.

20 **MAGAZINES**

21 24. Based on the key insight data from MRI summarized above, the magazines below
 22 were selected based on the highest coverage and index⁷ against the target audience characteristics.

23 25. *People Magazine* is a weekly magazine with a circulation of 3,031,829 with more
 24 than 30,954,974 readers⁸. The summary notice will be published once as half-page, black and white
 25 ad.

27 ⁷ Index is a media metric that describes a target audience’s inclination to use a given outlet. An index over 100 suggests
 a target population’s inclination to use a medium to a greater degree than the rest of the population. For example, an
 index of 157 would mean that the target is 57 percent more likely than the rest of the population to use a medium.

28 ⁸ Magazines report pass-along factors. These are individuals in addition to the subscriber that read a given title.
 Each magazine has specific pass-along factor. *People Magazine* reports a pass along of 11.19.

1 26. *Good Housekeeping* is a monthly magazine with a circulation of 4,101,000 with
2 more than 17,470,260 readers. The summary notice will be published once as half-page, black and
3 white ad.

4 **PUBLICATION ELEMENTS – ONLINE DISPLAY AND SOCIAL MEDIA**

5 27. This campaign will employ a programmatic approach across multi-channel and
6 inventory sources including a collection of premium quality partner web properties targeting
7 purchasers of Canada Dry Ginger Ale over the age of 18 as well as adults 18-44. Over 67,700,000
8 online display ads will be served to this target group across a whitelist⁹ of pre-vetted websites,
multiple exchanges, and the social media platforms Facebook and Instagram.

9 28. Keyword search targeting will be employed to show advertisements to users in their
10 Google search results. A list of search topics including Canada Dry Ginger Ale, ginger ale, best
11 ginger ale, Seagram's Ginger Ale, Schwepps Ginger Ale, Canada Dry coupons, where to buy
12 Canada Dry, among others will be applied. We also intend to use pixel retargeting to provide

appropriate, highly targeted, and contemporary way to employ notice to this class. Through a
multi-media channel approach to notice, which employs direct outreach, print, digital, and social
and mobile media, an estimated 74 percent of targeted Class Members, Nationwide and
specifically in California, will be reached by the media program, on average, 2.3 times. In my
opinion, the efforts to be used in this proposed notice program are of the highest modern
communication standards, are reasonably calculated to provide notice, and are consistent with best
practicable court-approved notice programs in similar matters and the Federal Judicial Center’s
guidelines concerning appropriate reach.

26 36. Each Class Settlement is unique. And while there is no formula to project with
27

absolute certainty response rates even when Class Members are exposed to a highly targeted and
reasonably calculated notice program, experience in similar Settlements indicates that is may be
reasonable to anticipate approximately 100,000 claims to be filed in California.

She has designed legal notices for a wide range of class actions and consumer matters that include product liability, construction defect, antitrust, medical/pharmaceutical, human rights, civil rights, telecommunication, media, environment, government enforcement actions, securities, banking, insurance, mass tort, restructuring and product recall.

JUDICIAL COMMENTS AND LEGAL NOTICE CASES

In evaluating the adequacy and effectiveness of Ms. Finegan's notice campaigns, courts have repeatedly recognized her excellent work. The following excerpts provide some examples of such judicial approval.

Carter v Forjas Taurus S.S., Taurus International Manufacturing, Inc., Case No. 1:13-CV-24583 PAS (S.D. Fl. 2016). In her Final Order and Judgment Granting Plaintiffs Motion for Final Approval of Class Action Settlement, the Honorable Patricia Seitz stated:

The Court considered the extensive experience of Jeanne C. Finegan and the notice program she developed. ...There is no national firearms registry and Taurus sale records do not provide names and addresses of the ultimate purchasers... Thus the form and method used for notifying Class Members of the terms of the Settlement was the best notice practicable. ...The court-approved notice plan used peer-accepted national research to identify the optimal traditional, online, mobile and social media platforms to reach the Settlement Class Members.

Additionally, in January 20, 2016, Transcript of Class Notice Hearing, p. 5 Judge Seitz, noted:

I would like to compliment Ms. Finegan and her company because I was quite impressed with the scope and the effort of communicating with the Class.

Cook et. al v. Rockwell International Corp. and the Dow Chemical Co., No. 90-cv-00181- KLK (D.Colo. 2017)., aka, Rocky Flats Nuclear Weapons Plant Contamination. In the Order Granting Final Approval, dated April 28, 2017, p.3, the Honorable John L. Kane said:

The Court-approved Notice Plan, which was successfully implemented by

¹ Deborah R. Hensler et al., CLASS ACTION DILEMAS, PURSUING PUBLIC GOALS FOR PRIVATE GAIN. RAND (2000).

[HF Media- emphasis added] (see Doc. 2432), constituted the best notice practicable under the circumstances. In making this determination, the Court finds that the Notice Plan that was implemented, as set forth in Declaration of Jeanne C. Finegan, APR Concerning Implementation and Adequacy of Class Member Notification (Doc. 2432), provided for individual notice to all members of the Class whose identities and addresses were identified through reasonable efforts, ... and a comprehensive national publication notice program that included, inter alia, print, television, radio and internet banner advertisements. ...Pursuant to, and in accordance with, Rule 23 of the Federal Rules of Civil Procedure, the Court finds that the Notice Plan provided the best notice practicable to the Class.

In re: Domestic Drywall Antitrust Litigation, MDL No. 2437, in the U.S. District Court for the Eastern District of Pennsylvania. For each of the four settlements, Finegan implemented and extensive outreach effort including traditional, online, social, mobile and advanced television and online video. In the Order Granting Preliminary Approval to the IPP Settlement, Judge Michael M. Baylson stated:

“The Court finds that the dissemination of the Notice and summary Notice constitutes the best notice practicable under the circumstances; is valid, due, and sufficient notice to all persons... and complies fully with the requirements of the Federal rule of Civil Procedure.”

Warner v. Toyota Motor Sales, U.S.A. Inc., Case No 2:15-cv-02171-FMO FFMx (C.D. Cal. 2017). In the Order Re: Final Approval of Class Action Settlement; Approval of Attorney’s Fees, Costs & Service Awards, dated May 21, 2017, the Honorable Fernando M. Olguin stated:

Finegan, the court-appointed settlement notice administrator, has implemented the multiprong notice program. ...the court finds that the class notice and the notice process fairly and adequately informed the class members of the nature of the action, the terms of the proposed settlement, the effect of the action and release of claims, the class members’ right to exclude themselves from the action, and their right to object to the proposed settlement. (See Dkt. 98, PAO at 25-28).

Michael Allagas, et al., v. BP Solar International, Inc., et al., BP Solar Panel Settlement, Case No. 3:14-cv-00560- SI (N.D. Cal., San Francisco Div. 2016). In the Order Granting Final Approval, Dated December 22, 2016, The Honorable Susan Illston stated:

Class Notice was reasonable and constituted due, adequate and sufficient notice to all persons entitled to be provided with notice; and d. fully satisfied the requirements of the Federal Rules of Civil Procedure, including Fed. R. Civ. P. 23(c)(2) and (e), the United States Constitution (including the Due Process Clause), the Rules of this Court, and any other applicable law.

Foster v. L-3 Communications EOTech, Inc. et al (6:15-cv-03519), Missouri Western District Court.

In the Court's Final Order, dated July 7, 2017, The Honorable Judge Brian Wimes stated: "The Court has determined that the Notice given to the Settlement Class fully and accurately informed members of the Settlement Class of all material elements of the Settlement and constituted the best notice practicable."

In re: Skechers Toning Shoes Products Liability Litigation, No. 3:11-MD-2308-TBR (W.D. Ky. 2012). In his Final Order and Judgment granting the Motion for Preliminary Approval of Settlement, the Honorable Thomas B. Russell stated:

... The comprehensive nature of the class notice leaves little doubt that, upon receipt, class members will be able to make an informed and intelligent decision about participating in the settlement.

Brody v. Merck & Co., Inc., et al, No. 3:12-cv-04774-PGS-DEA (N.J.) (Jt Hearing for Prelim App, Sept. 27, 2012, transcript page 34). During the Hearing on Joint Application for Preliminary Approval of Class Action, the Honorable Peter G. Sheridan acknowledged Ms. Finegan's work, noting:

Ms. Finegan did a great job in testifying as to what the class administrator will do. So, I'm certain that all the class members or as many that can be found, will be given some very adequate notice in which they can perfect their claim.

Quinn v. Walgreen Co., Wal-Mart Stores Inc., 7:12 CV-8187-VB (NYSD) (Jt Hearing for Final App, March. 5, 2015, transcript page 40-41). During the Hearing on Final Approval of Class Action, the Honorable Vincent L. Briccetti stated:

"The notice plan was the best practicable under the circumstances. ... [and] "the proof is in the pudding. This settlement has resulted in more than 45,000 claims which is 10,000 more than the Pearson case and more than 40,000 more than in a glucosamine case pending in the Southern District of California I've been advised about. So the notice has reached a lot of people and a lot of people have made claims."

In Re: TracFone Unlimited Service Plan Litigation, No. C-13-3440 EMC (ND Ca). In the Final Order and Judgment Granting Class Settlement, July 2, 2015, the Honorable Edward M. Chen noted:

"...[D]epending on the extent of the overlap between those class members who will automatically receive a payment and those who filed claims, the total claims rate is estimated to be approximately 25-30%. This is an excellent result..."

DeHoyos, et al. v. Allstate Ins. Co., No. SA-01-CA-1010 (W.D.Tx. 2001). In the Amended Final Order and Judgment Approving Class Action Settlement, the Honorable Fred Biery stated:

[T]he undisputed evidence shows the notice program in this case was developed and implemented by a nationally recognized expert in class action notice programs. ... This program was vigorous and specifically structured to reach the African-American and Hispanic class members. Additionally, the program was based on a scientific methodology which is used throughout the advertising industry and which has been routinely embraced routinely [sic] by the Courts. Specifically, in order to reach the identified targets directly and efficiently, the notice program utilized a multi-layered approach which included national magazines; magazines specifically appropriate to the targeted audiences; and newspapers in both English and Spanish.

In re: Reebok Easytone Litigation, No. 10-CV-11977 (D. MA. 2011). The Honorable F. Dennis Saylor IV stated in the Final Approval Order:

Bezdek v. Vibram USA and Vibram FiveFingers LLC, No 12-10513 (D. MA) The Honorable Douglas P. Woodlock stated in the Final Memorandum and Order:

...[O]n independent review I find that the notice program was robust, particularly in its online presence, and implemented as directed in my Order authorizing notice. ...I find that notice was given to the Settlement class members by the best means "practicable under the circumstances." nationwide basis in magazines and newspapers (with circulation numbers exceeding 81 million) specifically chosen to reach Class Members. ... The distribution of Class Notice constituted the best notice practicable under the circumstances, and fully satisfied the requirements of Federal Rule of Civil Procedure 23, the requirements of due process, 28 U.S.C. 1715, and any other applicable law.

Pashmova v. New Balance Athletic Shoes, Inc., 1:11-cv-10001-LTS (D. Mass.). The Honorable Leo T. Sorokin stated in the Final Approval Order:

The Class Notice, the Summary Settlement Notice, the web site, and all other notices in the Settlement Agreement and the Declaration of [Ms Finegan], and the notice methodology implemented pursuant to the Settlement Agreement: (a) constituted the best practicable notice under the circumstances; (b) constituted notice that was reasonably calculated to apprise Class Members of the pendency of the Actions, the terms of the Settlement and their rights under the settlement ... met all applicable requirements of law, including, but not limited to, the Federal Rules of Civil Procedure, 28 U.S.C. § 1715, and the Due Process Clause(s) of the United States Constitution, as well as complied with the Federal Judicial Center's illustrative class action notices.

Hartless v. Clorox Company, No. 06-CV-2705 (CAB) (S.D.Cal.). In the Final Order Approving Settlement, the Honorable Cathy N. Bencivengo found:

The Class Notice advised Class members of the terms of the settlement; the Final Approval Hearing and their right to appear at such hearing; their rights to remain in or opt out of the Class and to object to the settlement; the procedures for exercising such rights; and the binding effect of this Judgment, whether favorable or unfavorable, to the Class. The distribution of the notice to the Class constituted the best notice practicable under the circumstances, and fully satisfied the requirements of Federal Rule of Civil Procedure 23, the requirements of due process, 28 U.S.C. §1715, and any other applicable law.

McDonough et al v. Toys 'R' Us et al, No. 09:-cv-06151-AB (E.D. Pa.). In the Final Order and Judgment Approving Settlement, the Honorable Anita Brody stated:

In re: Pre-Filled Propane Tank Marketing & Sales Practices Litigation, No. 4:09-md-02086-GAF (W.D. Mo.) In granting final approval to the settlement, the Honorable Gary A. Fenner stated:

The notice program included individual notice to class members who could be identified by Ferrellgas, publication notices, and notices affixed to Blue Rhino propane tank cylinders sold by Ferrellgas through various retailers. ... The Court finds the notice

The Notice appropriately detailed the nature of the action, the Class claims, the definition of the Class and Subclasses, the terms of the proposed settlement agreement, and the class members' right to object or request exclusion from the settlement and the timing and manner for doing so.... Accordingly, the Court determines that the notice provided to the putative Class Members constitutes adequate notice in satisfaction of the demands of Rule 23.

The form and content of the notice program satisfied all applicable legal requirements. ... The comprehensive class notice educated Settlement Class members about the defects in Consolidated furnaces and warned them that the continued use of their furnaces created a risk of fire and/or carbon monoxide. This alone provided substantial value.

McGee v. Continental Tire North America, Inc. et al, No. 06-6234-(GEB) (D.N.J.).

The Class Notice, the Summary Settlement Notice, the web site, the toll-free telephone number, and all other notices in the Agreement, and the notice methodology implemented pursuant to the Agreement: (a) constituted the best practicable notice under the circumstances; (b) constituted notice that was reasonably calculated to apprise Class Members of the pendency of the Action, the terms of the settlement and their rights under the settlement, including, but not limited to, their right to object to or exclude themselves from the proposed settlement and to appear at the Fairness Hearing; (c) were reasonable and constituted due, adequate and sufficient notice to all persons entitled to receive notification; and (d) met all applicable requirements of law, including, but not limited to, the Federal Rules of Civil Procedure, 20 U.S.C. Sec. 1715, and the Due Process Clause(s) of the United States Constitution, as well as complied with the Federal Judicial Center’s illustrative class action notices,

Varacallo, et al. v. Massachusetts Mutual Life Insurance Company, et al., No. 04-2702 (JLL) (D.N.J.). The Court stated that:

[A]ll of the notices are written in simple terminology, are readily understandable by Class Members, and comply with the Federal Judicial Center's illustrative class action notices. ... By working with a nationally syndicated media research firm, [Finegan’s firm] was able to define a target audience for the MassMutual Class Members, which

provided a valid basis for determining the magazine and newspaper preferences of the Class Members. (Preliminary Approval Order at p. 9). . . . The Court agrees with Class Counsel that this was more than adequate. (Id. at § 5.2).

In re: Nortel Network Corp., Sec. Litig., No. 01-CV-1855 (RMB) Master File No. 05 MD 1659 (LAP) (S.D.N.Y.). Ms. Finegan designed and implemented the extensive United States and Canadian notice programs in this case. The Canadian program was published in both French and English, and targeted virtually all investors of stock in Canada. See www.nortelsecuritieslitigation.com. Of the U.S. notice program, the Honorable Loretta A. Preska stated:

The form and method of notifying the U.S. Global Class of the pendency of the action as a class action and of the terms and conditions of the proposed Settlement ... constituted the best notice practicable under the circumstances, and constituted due and sufficient notice to all persons and entities entitled thereto.

Regarding the B.C. Canadian Notice effort: *Jeffrey v. Nortel Networks*, [2007] BCSC 69 at para. 50, the Honourable Mr. Justice Groberman said:

The efforts to give notice to potential class members in this case have been thorough. There has been a broad media campaign to publicize the proposed settlement and the court processes. There has also been a direct mail campaign directed at probable investors. I am advised that over 1.2 million claim packages were mailed to persons around the world. In addition, packages have been available through the worldwide web site nortelsecuritieslitigation.com on the Internet. Toll-free telephone lines have been set up, and it appears that class counsel and the Claims Administrator have received innumerable calls from potential class members. In short, all reasonable efforts have been made to ensure that potential members of the class have had notice of the proposal and a reasonable opportunity was provided for class members to register their objections, or seek exclusion from the settlement.

Mayo v. Walmart Stores and Sam's Club, No. 5:06 CV-93-R (W.D.Ky.). In the Order Granting Final Approval of Settlement, Judge Thomas B. Russell stated:

According to defendants' database, the Notice was estimated to have reached over 90% of the Settlement Class Members through direct mail. The Settlement Administrator ... has classified the parties' database as 'one of the most reliable and comprehensive databases [she] has worked with for the purposes of legal notice.'... The Court thus reaffirms its findings and conclusions in the Preliminary Approval Order that the form of the Notice and manner of giving notice satisfy the requirements of Fed. R. Civ. P. 23 and affords due process to the Settlement Class Members.

Fishbein v. All Market Inc., (d/b/a Vita Coco) No. 11-cv-05580 (S.D.N.Y.). In granting final approval of the settlement, the Honorable J. Paul Oetken stated:

"The Court finds that the dissemination of Class Notice pursuant to the Notice Program...constituted the best practicable notice to Settlement Class Members under the circumstances of this Litigation ... and was reasonable and constituted due, adequate and sufficient notice to all persons entitled to such notice, and fully satisfied the requirements of the Federal Rules of Civil Procedure, including Rules 23(c)(2) and (e), the United States Constitution (including the Due Process Clause), the Rules of this Court, and any other applicable laws."

Lucas, et al. v. Kmart Corp., No. 99-cv-01923 (D.Colo.), wherein the Court recognized Jeanne Finegan as an expert in the design of notice programs, and stated:

The Court finds that the efforts of the parties and the proposed Claims Administrator in this respect go above and beyond the "reasonable efforts" required for identifying individual class members under F.R.C.P. 23(c)(2)(B).

In re: Johns-Manville Corp. (Statutory Direct Action Settlement, Common Law Direct Action and Hawaii Settlement), No 82-11656, 57, 660, 661, 665-73, 75 and 76 (BRL) (Bankr. S.D.N.Y.). The nearly half-billion dollar settlement incorporated three separate notification programs, which targeted all persons who had asbestos claims whether asserted or unasserted, against the Travelers Indemnity Company. In the Findings of Fact and Conclusions of a Clarifying Order Approving the Settlements, slip op. at 47-48 (Aug. 17, 2004), the Honorable Burton R. Lifland, Chief Justice, stated:

As demonstrated by Findings of Fact (citation omitted), the Statutory Direct Action Settlement notice program was reasonably calculated under all circumstances to apprise the affected individuals of the proceedings and actions taken involving their interests, Mullane v. Cent. Hanover Bank & Trust Co., 339 U.S. 306, 314 (1950), such program did apprise the overwhelming majority of potentially affected claimants and far exceeded the minimum notice required. . . . The results simply speak for themselves.

Pigford v. Glickman and U.S. Department of Agriculture, No. 97-1978. 98-1693 (PLF) (D.D.C.). This matter was the largest civil rights case to settle in the United States in over 40 years. The highly publicized, nationwide paid media program was designed to alert all present and past African-American farmers of the opportunity to recover monetary damages against the U.S. Department of Agriculture for alleged loan discrimination. In his Opinion, the Honorable Paul L. Friedman commended the parties with respect to the notice program, stating;

The parties also exerted extraordinary efforts to reach class members through a massive advertising campaign in general and African American targeted publications and television stations. . . . The Court concludes that class members have received more than adequate notice and have had sufficient opportunity to be heard on the fairness of the proposed Consent Decree.

In re: Louisiana-Pacific Inner-Seal Siding Litig., Nos. 879-JE, and 1453-JE (D.Or.). Under the terms of the Settlement, three separate notice programs were to be implemented at three-year intervals over a period of six years. In the first notice campaign, Ms. Finegan implemented the print advertising and Internet components of the Notice program. In approving the legal notice communication plan, the Honorable Robert E. Jones stated:

The notice given to the members of the Class fully and accurately informed the Class members of all material elements of the settlement...[through] a broad and extensive multi-media notice campaign.

Additionally, with regard to the third-year notice program for Louisiana-Pacific, the Honorable Richard Unis, Special Master, commented that the notice was:

...well formulated to conform to the definition set by the court as adequate and reasonable notice. Indeed, I believe the record should also reflect the Court's appreciation to Ms. Finegan for all the work she's done, ensuring that noticing was done correctly and professionally, while paying careful attention to overall costs. Her understanding of various notice requirements under Fed. R. Civ. P. 23, helped to insure that the notice given in this case was consistent with the highest standards of compliance with Rule 23(d)(2).

In re: Expedia Hotel Taxes and Fees Litigation, No. 05-2-02060-1 (SEA) (Sup. Ct. of Wash. in and for King County). In the Order Granting Final Approval of Class Action Settlement, Judge Monica Benton stated:

The Notice of the Settlement given to the Class ... was the best notice practicable under the circumstances. All of these forms of Notice directed Class Members to a Settlement Website providing key Settlement documents including instructions on how Class Members could exclude themselves from the Class, and how they could object to or comment upon the Settlement. The Notice provided due and adequate notice of these proceeding and of the matters set forth in the Agreement to all persons entitled to such notice, and said notice fully satisfied the requirements of CR 23 and due process.
